

MICRO CENTER[®]

computers & electronics

850 3rd Ave. (at 31st St.) Brooklyn, NY 11232

35,000 computer and electronics items, expert help and internet pricing – all in a store like no other!

Computing Devices

All of our Notebooks and Tablets on display in this re-engineered department.

Knowledge Bar

The one place to go for answers, on-the-spot installations, troubleshooting and hands-on, face-to-face technical support.

It's the Web in-store, but better.

Shop the same deep assortment, pricing and easy shopping, but get personal help, see and touch displays and get-it-now convenience.

One-stop shopping that's truly one stop.

You get 35,000 items and all the Best Brands in hundreds of categories in an easy-to-shop, immersive shopping experience.

A place where you get answers.

Experience our Knowledge Bar for FREE walk-in support, get product advice from experts and take advantage of a bevy of services.

It's the single best place to buy technology.

We're experts in computing devices, Build Your Own PC and DIY components, and everything related – for you or your business.

Plus,

- Plenty of FREE parking
- All products on microcenter.com are in store
- A company committed to customer care since 1979

Dedicated to computing devices & electronics... and your satisfaction

Computer Parts and DIY Electronics

1000s of parts to Upgrade or Build Your Own - whether a PC or a Robot!

Apple Department

An enhanced store within a store with the latest Apple products and 100s of accessories for everything Apple.

Service & Repair, HDTVs, Security, Software, Accessories, Cameras, Printers and more – all in one store!
